*(The twelve year-old) Jesus increased in wisdom and in stature,
and in divine and human favor. –Luke 2:52*

Dear Members and Friends of the Living Messiah,

“WHO WILL BE MY TEACHER THIS YEAR?” I remember worrying about that as a child when summer vacation was about over and a new school year approached. While that is a childhood question, it is not a childish concern.

WE LONG FOR GOOD LEADERS. What a difference it makes when we have a good teacher, coach, director, boss, commanding officer, mayor, governor, president. Many of us were shaped most by those who served in the highest offices of God’s good creation: our Mothers and Fathers.

WHEN WE HAVE GOOD LEADERS in any aspect of our lives, let us be the ones who say ‘thank you’ and let us be the ones who support them. With deep gratitude I want to thank all of the excellent leaders who have blessed MLC over the years serving on Church Council and our many ministries and committees. Also I thankful for the outstanding staff and dedicated volunteers I have had the privilege of working with at MLC. It is a joy to watch you work together using your God-given gifts caring for others and glorifying our Lord. For over 20 years all of that has been and continues to be very good, but this is the best...

JESUS IS OUR LEADER. That does not make everything easy or simple, but realizing He leads us changes everything. We know He always goes before us and will never abandon us. In Him we have hope that will not fail and peace that passes all understanding. He wants what is best for us. And, He has given His life that we might have abundant and eternal life.

“ALL AUTHORITY IN HEAVEN AND ON EARTH has been given to Me,” Jesus said (Matthew 28:18). Think of that! Jesus has all power, but He uses it for justice and mercy. He leads by loving, sacrificing, disciplining, and showing us the way. Next time you or I are in a position of leadership, let’s remember Jesus’ model, and follow our true Leader.

Grace and peace,
Pastor Scott Peterson

TRIP TO THE HOLY LAND – IN THE PLANNING STAGES

Next year I am hoping to lead a tour group to the Holy Land. We would visit the places where Jesus lived, worked, died, and rose. Departure date will likely be November 1, 2011. More later. – *Pastor Scott*

SUNDAY SCHOOL

Sunday School Rally Day is August 15. Sunday School teacher assistance is needed. Please contact Bobbi Huwaldt if you can help.

Adult Class Offerings

Theology and Issues Do you like to study and discuss your faith as it relates to issues we have to deal with in our life? You may want to be part of a new class being led by Bob Loshuertos. The class will select the issue they wish to discuss, do some study on it and then discuss what our faith has to say to that issue in class. At the first session we will select the topic from the desires of the class. Issues will be announced so that if others want to join the class for a particular issue they can. However, it will be necessary to be present for the first class to help select future topics. Examples of issues may be: oil spill, immigration, domestic violence, poverty, welfare, affluence, constitutional reform. You name it and if a majority wants to discuss it, we will do so. The first class will be on Sunday, August 22 and will meet during the SS hour beginning at 9:45 a.m. Contact Bob at if you have any questions.

Foster. In addition, each entry includes a related biblical passage, discussion questions, and individual and group exercises. Incarnation Information

August 2010

I am going to try to keep my article short and to the point this month. We are at a place of great potential for growth as we head into the fall, and we covet your prayers, encouragement and support as we move forward. Some highlights:

***Sunday School and Confirmation will begin in the fall.** Details are still being finalized as of the writing of this article.

***As of August 1 we will no longer have the entire building** at our disposal. We have given back some of the space in exchange for a more manageable rent. Despite this downsizing, we are excited about rearranging our space. We are tentatively planning a rummage sale to get rid of some of our extra stuff, and will keep Messiah updated on details so you can also contribute or buy items to support our ministry.

***Retired Pastor Bill Funk and his wife Helen will be joining us from August 19 to September 19** and leading us on an organized, intentional door-knocking outreach into our community. We invite any Messiah people who want to join us to sign up for one (or more) 2-hour slot and go out with them as "Silent Partners." We will be having visitor lunches after worship on September 5 & 19 to get to know people we connect with through door knocking. If you have friends interested in learning more about Incarnation, those would be great Sundays to come with them to Incarnation and worship with us.

***1-Year Anniversary or Worship** – We began worshipping on Sunday, September 13, 2009, and Messiah is going to help us celebrate one year of worship on Sunday, September 12, 2010. Pastor Scott and the MLC Council agreed to urge Messiah members to worship at Incarnation's service at 10:45 a.m. Afterwards, we will have a picnic, games and fellowship to celebrate one year for us and to culminate Messiah's 20-year anniversary as a new mission congregation. THANKS FOR YOUR SUPPORT!

Please join us Saturday, August 28 at Joe Davis Stadium in our *Walk to Defeat ALS*.

Imagine losing control of your foot, then your leg, then both legs - your brain tells your body to work but it just can't respond. ALS, more commonly known as Lou Gehrig's disease, is a progressive disease that robs people of the ability to control their bodies. It is difficult for family members and friends to watch this disease rob their loved one of precious time here with us. What can you do to help?

1. You can join our walk team on Saturday, August 28 in our *Walk to Defeat ALS*. Monies raised help to support families and to fund research into ALS. Register online www.als.org, select Alabama, register and look for our team: Thrivent Financial Messiah Lutheran Church. There is also a link on our Facebook page. Or there is a registration coupon on the flyer on the Sunday School board - You can return it to Mary Mast.

2. You can support a walker on our team with a donation.

3. Come out and support our walk team's spaghetti dinner at Messiah Lutheran Church on Wednesday, September 8. Your donation at dinner that evening will go to our walk team.

OUTREACH NEWS

from Claire Strand and Jacquie Fry

Summer is moving past very quickly. **The school bus is in the narthex again this year for school supplies.** Please place markers, pencils, crayons, folders, notebooks, glue, and any other common school supplies in or near the school bus. Now is the time when stores are having big sales on all the needed school supplies. Thank you for helping local students who need our help this year.

Milestone Children's Corner daycare has changed its name to Milestone Christian Academy. It continues its mission to provide affordable daycare to low income families in the Huntsville area and is enlarging its outreach to older children in summer and after school programs. The much needed tall fence around the play yard that Messiah provided money for has been installed and looks great. It is a huge improvement and will make outdoor play much safer. A group of 4 year olds from Milestone attended Messiah's VBS program this summer. This is a wonderful opportunity to reach children and families who have not heard the Good News of God's love for us.

When you are buying new jackets this fall, remember that the outgrown coats can be used by those in need. There will be a box for coats (all sizes) and blankets and pillows for the homeless and those in need. If your children have outgrown their school clothes, you can donate them to Christmas Charities Throughout the Year, which strives to provide clothes for school to children in need. If you have questions or suggestions for other ways to live out our Christian faith, please contact Jacquie Fry.

Thank you to all of you who reach out in so many ways to those in need in our community.
Jacquie Fry, Community Outreach
